**FOR IMMEDIATE RELEASE  
SLACK KEY ARTIST MAKANA FEATURES LATEST CD AT BREWPUB**

*Kailua-Kona, Hawaii's Big Island*— Slack key guitar superstar Makana will dazzle Kona Brewing Company guests with his musical prowess on Sunday, April 1, from 5 to 8 p.m. Makana is a special guest at the brewpub's Sunday Sunset and will be playing from his latest CD, "Different Game," which just recently became available in retail locations across the country. He will have copies of the CD available for sale and signing.

Makana has released four recordings, including the highly regarded and critically acclaimed "Ki Ho'alu," "Koi Au" and self titled "Makana." His latest recording includes 15 original songs combining acoustic, folk, rock and slack key music. Born and raised on the island of Oahu, Makana is a protégé of the late Sonny Chillingworth, and his style is reminiscent of such great artists as Cat Stevens and Arlo Guthrie. He has been called the hottest new musical artist emerging from Hawaii and is considered the youngest living master of Hawaiian slack key guitar and a pioneer in his own style of contemporary world rock.

Kona Brewing Company's Sunday Sunsets provide complimentary entertainment for guests to enjoy while they dine and enjoy Hawaii's freshest craft beer. For more information visit [www.KonaBrewingCo.com](http://www.KonaBrewingCo.com) or call 334-1133.
